

## Laptop Computer Application Academic Year 2022-2023

The SCMAA Foundation congratulates you on your accomplishments! We believe in supporting your future education by awarding your own personal computer!

Requirements for Computer Award:

1. Work with your school or Sonoma County office of Education to submit your application
2. If attending Santa Rosa Junior College; attend an orientation with the Foster Youth Program on campus.

In order to receive your laptop, please provide the following information and indicate whether you would like your software pre-installed. *(Note: You must provide your date of birth and first and last name if you want your Microsoft Office software pre-installed. If you do not wish to provide that additional information, Microsoft/Geek Squad are available to assist you in completing the installation.)*

*Items in red are required for laptop award.*
